

STELLAR FRAMEWORK:

S – Self-Leadership: The ability to make your own actions serve what's truly important to you, setting the foundation for all future success. (Life Purpose, Core Values, Vision and Personal Productivity System)

T – Talents: Knowing what you're good at and understanding how to harness your abilities.

E – Excellence: Setting high standards for yourself – and applying systems that will help you live up to them.

L – Leading, Always: Understanding that leadership is a mindset, not a title.

LA – Leveraging Alignment: Placing yourself in environments where your strengths and values can do the most good.

R – Roadmap: Designing a detailed, yet adaptable, strategy for reaching your ultimate goals.
